AGENDA

1. Welcome
2. Governor DeSantis’s Vision
3. Introduction to the State Health Improvement Plan
4. Priority Area 9 – Alzheimer’s Disease and Related Dementias
   a. Goal ADRD2 - Strengthen the capacity of care organizations to assess, diagnose, and treat individuals with ADRD and expand support for their caregivers.
   b. Strategy ADRD2.1 - Engage with the hospitals and universities that house the state’s MDCs so that they each answer Governor DeSantis’ challenge to provide matching funding annually to the clinics to allow for an increase in the number of individuals they serve with evaluation and diagnostic testing for dementia.
5. Public comment
6. Closing remarks

Thank you for attending and thank you for your interest in ensuring that all Floridians are not just living but living well!
