

Silver Alert

MONTHLY REPORT

The Florida Silver Alert Plan is a tool which aids local law enforcement in the recovery of a missing senior who suffers from an irreversible deterioration of intellectual faculties. The Plan provides for activation of a State Silver Alert when a person meeting the criteria goes missing while driving a motor vehicle. Local agencies are encouraged to issue Local Silver Alerts for persons meeting the criteria when a vehicle is not involved. The following is a monthly report detailing State Silver Alerts issued by the FDLE Missing Endangered Persons Information Clearinghouse.
